SUBJECT: Fire Training Drill Tower

DATE: October 24, 2024

BACKGROUND: Staff received a bid for a modular fire training drill tower. While housed at the old station at 151 S Spring Street, we had access to a fire training tower with multiple uses, including many training and educational topics, physical fitness training, new hire testing, and incumbent physical fitness training. The drill tower will be in front of the gym (old loading dock). The drill tower will have a footprint of thirteen feet wide by eighteen feet long.

The following bids were received:

Affordable Drill Towers, LLC	Jarrell, TX	$72,750.00

Staff has reviewed the bids and the bids received. Based on that review, staff have determined that Affordable Drill Towers, LLC. is the responsive low bidder. REQUEST FOR CITY COUNCIL ACTION

TO: Chris Story

FROM: Bob Coler

SUBJECT: Corrective Deeds for parcels deeded in the name of the City of Spartanburg that should be deeded in the name of the Commission of Public Works of the City of Spartanburg

DATE: December 12, 2024

BACKGROUND:

Since it's inception around 1881 the water company that is now known as Spartanburg Water and provides water to the City's residents has had different ownership structures. It was once a privately owned company. It was acquired at one point by the City of Spartanburg. It is currently a political subdivision whose title is the Commission of Public Works of the City of Spartanburg, doing business as Spartanburg Water. Around the middle of the twentieth century, the entity acquired a number of parcels which were inaccurately deeded to the City of Spartanburg, when they should have been deeded in the name of the Commission of Public Works of the City of Spartanburg. The attached Ordinance authorizes the City Manager to re-deed those properties in the name of the Commission of Public Works of the City of Spartanburg to accurately reflect ownership of the parcels. Only those parcels on Exhibit A to the Ordinance may be re-deeded by the City Manager and only after his review, with the assistance of his staff, verifying the parcel should be re-deeded.

ACTION REQUESTED: Approve the Ordinance authorizing the City Manager to re-deed inaccurately deeded parcels to correctly reflect their ownership.

BUDGET AND FINANCIAL DATA: Nominal. All deed transactions will be handled in-house.

AN ORDINANCE AUTHORIZING THE CITY MANAGER
TO TRANSFER SCATTERED SITE PROPERTIES FROM THE CITY OF SPARTANBURG TO THE COMMISSION OF PUBLIC WORKS OF THE CITY OF SPARTANBURG

WHEREAS, in 1881 Spartanburg's first water works was chartered by the South Carolina Secretary of State as a privately held company with its original water plant, the Chinquapin Filter Plant, at 250 Whitney Road; and

WHEREAS, in 1899, the Chinquapin Filter Plant was purchased by local businessmen and became the Home Water Supply Company; and

WHEREAS, in 1907 the City of Spartanburg purchased the Home Water Supply Company; and

WHEREAS, in 1908 the first Commissioners of Public Works of the City of Spartanburg were elected to manage the water operation and thereby resulted in the water operation becoming a political subdivision of the City of Spartanburg; and

WHEREAS, in the decades following 1908 parcels acquired by the water operation were incorrectly deeded to the City of Spartanburg instead of the Commission of Public Works of the City of Spartanburg; and

WHEREAS, the list of parcels, attached hereto, incorporated herein, and marked as **Exhibit A** for reference includes all known parcels acquired by the water operation in the manner described in the immediately preceding paragraph, and

WHEREAS, City Council finds it necessary and appropriate to deed those various parcels acquired by the water operation from the City of Spartanburg to the Commission of Public Works of the City of Spartanburg, ensuring the parcels are deeded in the most accurate name of the owner thereof.

NOW THEREFORE, BE IT ORDAINED by the Mayor and Members of Council of the City of Spartanburg, South Carolina, in Council assembled:

Section 1. The City Manager, exercising his reasonable discretion, and in consultation with the City Attorney where he/she deems appropriate, is hereby authorized to execute any and all documents necessary, including but not limited to, real property deeds, to transfer those parcels identified in Exhibit A attached hereto from the City of Spartanburg to the Commission of Public Works of the City of Spartanburg ensuring they are deeded in the most accurate name of the owner thereof.

Section 2. The City Manager is authorized to sign the necessary documents to execute this transaction.

Section 3. This Ordinance shall become effective upon the date of enactment.
